15. "Union" means a faculty association or trade union certified as a bargaining agent.

ARTICLE 1 - PREAMBLE

1.1 Purpose of Common Agreement

1.1.1 The purpose of this Agreement is to establish and maintain orderly collective bargaining procedures between the Parties.

1.1.2 In order to promote the efficient and effective operation of the institution through the establishment and continuance of harmonious relations and working conditions established under the collective agreement, and to assist in the development and expansion of the public post-secondary system, the Parties therefore agree to the following terms of contract.

1.2 Future Legislation

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the Parties hereto will negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered. All other provisions of the Common Agreement shall remain in full force and effect.

1.3 Conflict with Policies

Every reasonable effort will be made to harmonize employer policies with the provisions of this Agreement. In the event of a conflict between the contents of this Agreement and any policies made by the employer, the terms of this Agreement will prevail.

1.4 Singular and Plural

Wherever the singular is used in the Common Agreement, the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

ARTICLE 2 - HARASSMENT

- (c) creates a poisoned environment.

As of this date, the grounds protected against discrimination by *BC's Human Rights Code* [R.S.B.C. 1996 c.210] are race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age of that person or because that person has been convicted of a criminal or summary conviction offence that is unrelated to the employment or to the intended employment of that person.

2.2.2 Sexual Harassment is behaviour of a sexual nature by a person who knows or ought reasonably to know that the behaviour is unwanted or unwelcome; and

- (c) where a resolution is reached, the complainant and the respondent must agree in writing to the resolution and the matter will then be considered concluded;
- (d) no record of the mediation except the written agreed resolution will be placed on an employee's file. The written resolution will be removed from the employee's file after twelve (12) months unless there has been a subsequent complaint of harassment against the employee within the twelve (12) month period.

2.3.4 Investigation

Where either the complainant or respondent does not agree to mediation, or no resolution is reached during the mediation, the complaint will be referred to an investigator selected from a list of investigators agreed upon by the local parties. The parties will consider, among other things, the ability of the selected investigator to begin their investigation in a timely manner.

An investigator will be appointed within ten (10) working days of referral.

Where the local parties are unable to agree on a list of investigators, JADRC will determine the list. (See Appendix B.)

The referral should, where possible, include a written statement from the complainant and the respondent which succinctly outlines the issue(s) in dispute. The referral should be assembled by the Institution and forwarded to the Investigator with a copy sent to the union(s).

The appointment of an investigator does not preclude an investigator from mediating the parties pursuant to Article 2.3.5(a) below.

Any complaint of harassment will be kept confidential except as is necessary to investigate and resolve the issue. Investigators will stress the confidentiality of the investigation with the person(s) interviewed.

2.3.5 Terms of Reference of the Investigator

Where such leave is granted, the employer will replace the employee as necessary.

This clause may be utilized by the union to ensure adequate representation by the union with respect to issues that affect the institution or the post-secondary system. To facilitate the administration of this provision, the union will ensure that the employer is advised of the eligible leaves to be taken.

The union may designate a person(s) who will be entitled to union leave under this Article and will advise the employer of the amount of the leave to be taken. The amount of the entitlement is one quarter of a full time equivalent per annum, without loss of pay or other entitlement.

Costs arising from this provision will not be charged against the program area of the participating union representative.
